## November 2025 Parish Bulletin

### Lest We Forget...

In marking Remembrance Day this year, we should remember the sacrifices of men and women who have not only served our country throughout many wars and peace-keeping missions, but who have given their lives in the service of our country. It takes a special person to knowingly step in the way of harm. It takes a special person to pack their life into a backpack, to leave the comfort and security of home, to go overseas, and to work every day, keenly aware that each day, even each hour, could be their last.

As the saying goes, "Freedom isn't free." I wouldn't be sitting behind a computer, writing a reflection, with the freedom to express myself, without the sacrifice of the thousands upon thousands of soldiers who have fought and have died so that I and we can be free. On November 11th, let us pause for a moment to remember them. Let's pause for a moment to tell our children and grandchildren to remember them. Let us never forget them! But also let us, as Eastern Christians, make this Remembrance Day with one of twofold dedication. Let us reverently honor those who have fallen in war and rededicate ourselves through prayer to the cause of peace, to the end that the day may come when we shall never have another war nor another Unknown Soldier.

### A Prayer for Remembrance Day

*Heavenly Father, thank you for the sacrifices of those who have fought and died in defense of freedom, in defense of our country, in defense of the downtrodden of other countries. Receive their souls into Your heavenly kingdom and number them among the saints who have pleased You throughout the ages. Comfort their grieving families, especially those who have left behind children. Help them to know that their husband, their wife, their mom or dad, their son or daughter, died doing something noble. Bless all of the men and women who serve in our armed forces. Keep them safe and out of harm's way. Lord we ask that You bring peace into areas of conflict, both in our country and overseas, especially in Ukraine and the Middle East. Help us to preserve freedom. Help us to know that the ultimate freedom is found in our faith in You. As we observe Remembrance Day, help us always to remember and to never forget those who died so that we can enjoy the freedoms we enjoy today. Amen.*
